1974 (Fall) Leading Scorers

In the 1974-1975 school year, about half of Minnesota high schools played girls basketball in the fall and half played in the winter. The MSHSL had two tournaments. They were described as "unofficial tournaments" and for more than 20 years they were not included in the MSHSL records.

Girls listed in **boldface** among the Leading Scorers led all scorers in every game played. Girls listed in *italics* as Stars of the tournament are repeat Stars.

(Our) MVP Sue Wacker, Glencoe

1975 (Winter)

Apparently the private schools played girls basketball more seriously than the public schools did, holding their first tournament in 1973-1974, one school year before the MSHSL. The private schools all played in the winter, and they were a strong presence in the first MSHSL winter tournament.
